

PTA 201 : PTA SEMINAR

This course allows the students to self-teach and to learn skills associated with utilization of learning, community, and other resources in the gathering of new knowledge. The ability to communicate effectively in writing and orally, to professional and community groups, is stressed. Presentation Techniques and Teaching Strategies; Guest lectures and community activities are designed to augment the students' clinical experiences. Presentations and experiences will be scheduled at least partially based on student feedback from clinical education.
