

PTA 241 : PHYSICAL DISABILITIES II

This course continues a body systems approach to the study of common PT pathologies. Emphasis includes various neurological pathologies with additional focus on the needs of special populations. Upon completion, the student should be able to discuss PT interventions appropriate to a variety of diagnoses.

Credits 2

Prerequisites

PTA 202, PTA 220, PTA 222, PTA 250, PTA 240

Corequisites

PTA 231, PTA 232, PTA 230, PTA 251, PTA 260
