

Student Organizations

Southern Union is dedicated to the total development of the individual and provides many opportunities for student participation. Students bring to the campus a variety of interests as members of the academic community. Every student is urged to consider participating in the clubs, organizations, and activities of their preference. Club membership will provide an opportunity for participation in campus life and will enable students to contribute to the college and community. All club projects are coordinated through the Student Government Association (SGA). Any club wishing to sponsor a project of any nature must secure approval from the Associate Dean of Students a minimum of two weeks in advance of the proposed project date.
