

# Parking and Driving Regulations

Any student who drives a car or other motorized vehicle on any campus, day or night, must have liability insurance and must secure and display a parking decal. If more than one vehicle is driven on campus regularly, each vehicle should have its own decal. Parking permits are \$20.00 and can be purchased online through the college website. Vehicles must first be registered through the website before a parking permit can be issued. Payment can be made in the Business Office or on the website after registration. Permits will be mailed after the payment and registration process is complete. **All student parking permits expire at the end of Summer term each year.**

Parking permits must be displayed so the permit number can be clearly seen. By displaying the decal, the student agrees to abide by the following parking regulations:

1. The speed limit is not to exceed 10 mph on any campus.
2. The registered driver is responsible for his automobile regardless of who is driving.
3. Visitor's Parking Permits are issued to non-student campus guests. Students experiencing car trouble or other extenuating circumstances that necessitate bringing an unregistered vehicle on campus may also qualify for a Visitor's Parking Permit.  
A Visitor's Parking Permit should be obtained immediately upon arriving on campus. Permits are available on campus from the Campus Police Office in Wadley and Opelika and from the Administrative Office in Valley.
4. Vehicles may not be parked in a "no parking" zone.
  1. Vehicles parked improperly with or without a parking decal showing will be ticketed and a \$25.00 fine will be assessed. Students' owing fines will have all college records placed on hold until fines are paid.
  2. **Vehicles parked improperly can be towed from campus at the owner's expense.**
  3. If your car has been towed or booted, contact campus police for retrieval information.
5. All users of handicapped parking spaces must validate their parking permit. Information on the validation process is available from Campus Police.
6. No parking on curbs.
7. All traffic signs must be obeyed.
8. Vehicles left on campus overnight must be registered with the Campus Police.
9. No driving and/or parking on the grass, sidewalks or curbs.
10. Double parking is prohibited.
11. Blocking driveways, entrances, and exits to parking areas or buildings is prohibited.
12. Drivers must yield to pedestrians in designated crosswalks.
13. Vehicles must be parked in designated parking spaces.
14. Residential students (students living in the residence hall/dorm on the Wadley campus) must obtain a dorm decal to be attached to their SU hangtag. The decal should be placed in the center of the college seal.
15. No reckless driving.
16. All drivers must obey all "Rules of the Road" as described in Alabama 32, Traffic and Motor vehicle laws.
