

Tenure of Student Organizations

Once recognized, a student organization must meet the following criteria to continue official recognition.

1. The club/organization must submit a report and complete the group registration form annually to the SGA, and to the Student Life Coordinator.
2. The report must demonstrate how the organization has continued to fulfill the original purposes and goals established by their charter, constitution, and bylaws.
3. The SGA can recommend to the Associate Dean of Student Affairs whether a particular student organization should be (a) continued in good standing, (b) continued on probationary status for a specified period of time, (c) reorganized, or (d) disbanded.
4. The officers of the organization will be advised of the final decision and the SGA's recommendations. Any inactive student organization that wishes to reapply must follow the steps previously outlined.
